- Any scope changes to Deliverables will be discussed and prioritized with the designated PG&E Work Supervisor lead as necessary.
- In the event that PG&E proposes a Scope Change, PwC and PG&E, in good faith, will discuss and document the recommended changes at their earliest opportunity. If such Scope Change is agreed to by PwC, the Parties will generate and execute a mutually agreed-to CWA Change Order in compliance with PG&E Sourcing policies, forms, and processes. A CWA Change Order will outline the specific Scope Changes, including cost and scheduling impacts due to the Scope Change.
